Facility ID Number: 160572
BNP-20070917AAB

Dear Mr. Southmayd:

This is in reference to the above-captioned major change application for a new AM radio station for Kenai, Alaska. The application is a "singleton" being studied pursuant to a Commission Public Notice listing non-mutually exclusive applications AM Auction No 84.¹

On April 17, 2008, the staff sent a deficiency letter requesting the application be amended to resolve the interference problem with co-channel Canadian Class A station CKNW, New Westminster, British Columbia. As to this date, we have not received the requested amendment.

Accordingly, pursuant to Section 0.283 of the Commission's rules, the Peninsula Communications, Inc. application, BNP-20070917AAB IS HEREBY DISMISSED for failure to prosecute.²

Sincerely,

Son K. Nguyen
